

### Bible Changes. WHAT does Your Bible say???

History Shows that people used to try to copy to the exact same words as the original text or as close to that as they could. With today's translations copyright and ownership seem to be what's more important on this best selling book called the "Bible". In order to get your own copyright you have to make enough changes that are different than any other book. If a person copied most any other writing other than God's word and called it their own that would be called plagiarism.

Are you free to Read, and Quote, copy, print, and Share "**GOD's Word**"

A little known fact: In 1988 Zondervan and the NIV was purchased by Harper & Row, Publishers (now HarperCollins Publishers). HarperCollins publishes "pro-homosexual" books such as Making Out, The Book of Lesbian Sex and Sexualit, ..." and many other pro-homosexual books! HarperCollins is a subsidiary of the global media empire, The News Corporation, owned by Rupert Murdoch. The News Corporation empire include Fox Broadcasting, Twentieth Century Fox, and more than 128 newspapers. Fox Broadcasting produces some of the most sexually lewd shows on television.
